How about 7/20th

Thanks
Rafael

6/17/11 is a State Holiday (Bunker Hill Day). We will be open but with a reduced staff. If you like you can make it the following week.

Jim

Hello James,

I will be coming on site next week to install your new GC. I am scheduled for Wednesday. Would it be possible to move the date to Friday June 17th instead.

Thank you for your support

Regards,
Rafael
